May 2015 Employee of the Month

It is with great pleasure I announce that Officer Chris Mueller has been selected as Employee of the Month for May 2015.

Officer Mueller joined the department on October 10, 2006, graduating from Basic Police Training on January 11th, 2007. He was selected as Employee of the Month on two other occasions, as well as 2014 Employee of the Year (along with three other officers). Officer Mueller received an award from IDOT in 2012 in recognition of having made 25 DUI arrests. He is a breath alcohol operator.

Officer Mueller was nominated for this award due to his great work on April 12, 2015. On that date Officer Mueller responded to Sam's Club (700 N. 54th Street) for a report of a subject at the store who was suspected of 13 prior retail thefts over the past 4 months. Upon arrival, he was told by an employee that the suspect was at the self-checkout lane and was repeatedly scanning low priced items while not scanning multiple other items in his cart. Officer Mueller stopped the suspect as he exited the store and asked to check his sales receipt. The suspect's receipt showed that he had purchased \$34.47 in merchandise, when he actually had \$963.28 in merchandise in his cart. Officer Muller arrested the male and charged him with Felony Retail Theft (a Class 3 felony); the estimated total theft amount from 2015 was \$3,023.81. Apparently, the suspect had been stealing large amounts of Gillette razor refills and selling them on E-Bay as part of his retail theft scheme. Officer Mueller put a lot of work into this case and did a wonderful job.

After a short verbal altercation, the male was taken into custody for outstanding warrants and Driving While License Revoked. While in custody and being treated for injuries, the male threatened to "beat up" multiple officers and even "shoot" one officer from the Quincy Police Department as he could "f-k up all these police".
